Banyeres de Mariola

If we talk about Banyeres de Mariola we talk about the Mariola mountains and the Vinalopó river.

This route is a gift for the senses. With spectacular landscapes throughout the route, we can enjoy all the smells that make this Natural Park famous due to the existence of great variety of fragrant and medicinal herbs.

Although the route isn't the hardest possibility of the area, the climb to the Cava Gran, near to the top of the Montcabrer mountain, will force us to push hard as mountain bikers.
